

Club Locker Information

We use a locker to store lost items and hold other club possessions. It is located on the south end of the Spring Lake Park courts and is for use by all members.

The combination to get the key is **2-4-6-8**.

Please do not force the chamber closed. The buttons are very easy to press. If they aren't, then start the procedure over. The procedure to close is the same as the procedure to open:

- a. Press the clear button on the bottom.
- b. Enter the combination of 2-4-6-8.
- c. Press down and hold the open button on the top. While holding it down, close the compartment door.
