

Prior Lake Pickleball Club

Code of Conduct

READ BEFORE SIGNING AND OR Purchase of Membership.

The Prior Lake Pickleball Club promotes the sport of pickleball through a welcoming atmosphere for all ages, abilities, and ethnicities within the Prior Lake community. The Club offers open play, lessons, challenge courts, tournaments, ladders and social activities while fostering an environment that encourages health, social connection, good sportsmanship, safe play, and fun.

All members are expected to treat others with respect, keep things positive, and demonstrate good sportsmanship at all times. If an issue arises, members agree to notify a Club board member or event organizer so it can be addressed respectfully. Most concerns can be resolved through a friendly conversation; however, ongoing or serious issues may result in loss of playing privileges, removal from an event, or termination of Club membership.

The Club's messaging platform is not intended for promoting businesses or selling new products. Business and/or product promotion is strictly reserved for club sponsors who have purchased banners or sponsored tournaments or other club events. Also use of the Club's main messaging platform should be limited to pickleball related topics that may be of interest to all club members. Messages to individual club members should be done via direct messages.

By completing registration, you acknowledge and agree to support this Mission and to follow the Code of Conduct.
